Shipping Instructions

Follow these instructions or your payment will be delayed. As a reminder, StockX is not responsible for items not packaged properly:

- 1 Place this invoice inside the box and/or envelope with the product.
- 2 Place the box and/or sleeve into a bigger and sufficiently sized shipping box that is no more than 2 inches (5 cm) larger than your item on each side. Remove all HAZMAT warnings, labels, and stickers from the shipping parcel.
- 3 Use bubble wrap and/or packing paper to ensure your item is secure while in transit.
- 4 Seal package across the side flaps and the seams on the top and bottom of the shipping box using the 6 strip, H-method, with 2" or wider packing tape. Do not use masking tape, cellophane tape, duct tape, string or paper over-wrap to secure package.
- 5 Tape or insert the StockX provided shipping label to the outside of your shipping box. Drop off your sealed package at an authorized shipping location to be sent off.
- 6 As best practice, get a drop off receipt to ensure your package has been properly received.
